ABOUT

US

The Lutheran Church of Australia SA-NT District through BLUEPRINT MINISTRIES aims to support Young Adults who are moving to or live in Adelaide. Particularly in the first few years after high school, it can be challenging to find connections with others who share similar values and faith perspectives.

NETWORKING

We want to welcome you to a different phase in your life.

Link in with the Blueprint Young Adults Facebook page for information about what's on, events, job offers, camping, inspirational posts and links to other Young Adult groups..

CAMPS

Camps are held in February (RENEW) and August (LUTHERANS at Uni & Friends Camp.)

EVENTS

Each year WELCOME EVENTS are held at the start of the academic year where there is an invitation to join in an evening meal & social night - FIRST DRINK ON US!. Get to know some other Christian young people from around Adelaide! Info on our Facebook pages. Further events are held quarterly plus other events through the Unis..
